Early exam option: Students who can *document in writing a legitimate conflict* with the Friday 2:30 PM time period may take the exam early, at 1:00 PM. To get permission to take the early exam, file out the **exam conflict form** available on line (<http://newarkbioweb.rutgers.edu/genbio101>) or on BlackBoard. Give specifics about the course name, professor's name, or job conflict. The deadline for requests is Wednesday, October 7, 2009 at 4 PM.

The Early (1 PM) exam will be in Smith 240 (overflow in Smith 243). Proctors: TBA

The early exam will end after 1 hour and 10 minutes, *but all students must remain in the exam room until 2:35 PM.*

Makeup Exam option: Students who have can document a legitimate conflict with both 1:00 and 2:30 on Fridays can *fill out an exam conflict form*, asking Dr. Morrison for a makeup exam 10 days later, on Monday October 19, 2009, at 11:30 in Boyden 100.

Concerning the LABORATORY midterm exam:

- (1) the laboratory midterm examination for ALL sections (both odd and even sections) will be in your regular discussion period during the week of Oct 26-30, 2009.**
- (2) There will be no new lab in the BLC that week.
- (3) The exam will cover labs 1, 2 and 3 and the three discussion topics.
